JOHNSON GIBBINS, M.R.C., V.S.,

Inspector.

Vancouver, B.C., May 1st, 1909.

THE following Rules and Regulations regarding the control of bovine tuberculosis, the inspection and grading of dairies, dairy premises and herds of dairy cattle, and with regard to the importation of cattle into the Province, have been approved by His Honour the Lieutenant-Governor in Council, April 1st, 1909:—

Interpretation.

1. The word "Inspector," as used in the following Regulations, shall mean any person appointed from time to time by the Lieutenant-Governor in Council as an Inspector to carry out the provisions of the "Contagious Diseases (Animals) Act," being Chapter 48 of the Statutes, 1897.

Inspection and Grading of Dairies and Herds.

2. The Inspector shall inspect all dairies and dairy premises maintained for the supply of milk to the public, and all cows from which such milk is taken. After such inspection the Inspector shall grade the dairies and herds inspected as follows:—

Grade A. Premises found to be in a sanitary condition, within the meaning of the Regulations of the Provincial Board of Health governing the sale of milk and the management of dairies, cow sheds and milk shops, and the herd has been tested once every six months for tuberculosis and has been found free from that disease.

B. Premises that do not strictly conform to said Regulations, and the herd has been tested once a year for tuberculosis and has been found free from that disease.

C. Premises that conform with said Regulations but the herd has not been tested for tuberculosis.

D. Premises that do not comply with said Regulations and the herd has not been tested for tuberculosis.

The grading made as above set out shall be published from time to time as directed by the Minister of Agriculture.

Test Charts.

3. In every case in which the Inspector applies the tuberculin test he shall transmit to the Department of Agriculture a record of the same.

Quarantine.

4. Cattle found by the Inspector to be affected by tuberculosis shall be "T" marked in the ear and shall be quarantined, and shall be dealt with under the provisions of section (15) of the "Contagious Diseases (Animals) Act," which section is as follows:—

"15. Where it appears to the Inspector that any animal is affected as aforesaid, he shall at once notify the owner or other person in charge of such animal, who shall, at his own expense, cause the animal to be safely kept where it will not be brought into contact with, or be in danger of transmitting the disease to, other animals, or shall destroy the same."

Importation of Cattle into the Province.

5. Cattle imported into the Province for breeding purposes shall be shipped in quarantine to their destination within the Province, there to remain in quarantine under the direction of a *Provincial Inspector* until properly examined, at the expense of the owner. If considered necessary by the Inspector, such cattle shall be tested for tuberculosis. In case the owner of imported cattle makes and furnishes to the Inspector his statutory declaration that such cattle are immediately and only intended for feeding or show purposes, such cattle shall not be quarantined.

Sale within the Province of Imported Cattle.

6. Cattle brought into the Province for purposes of exhibition at fairs, if sold within the Province, must be subjected to the same test as breeding or dairy animals.

Transportation Companies.

7. Transportation companies bringing cattle into this Province shall promptly notify the Department of such shipments, giving the name of the consignee, the number of cattle imported, the destination of the same, whether they are for breeding, feeding or show purposes, and also the time of shipment from the starting point.

Penal Clause.

8. Any person or transportation company importing or bringing cattle into this Province and failing to comply with the provisions of these Regulations, shall be deemed guilty of an offence, and upon summary conviction therefor before a Stipendiary Magistrate, Police Magistrate, or Justice of the Peace shall be punished by a fine of not less than twenty-five dollars, nor more than fifty dollars.
